Subject: Principals Meeting Re the Passaic

Rafael,

As you probably already have heard, Nancy Beck, Regional Administrator Judith Enck's assistant, has set up the principals' meeting (conference call) for next Monday at 4. I believe that Office Directors such as you have been or will be invited as well.

It is my understanding that no other meetings or briefings at lower levels are contemplated. I have little doubt, however, that direct staff level contacts will go on as they have for some weeks now.

If there is anything else I can do, I would be happy to oblige.
